## Privacy Policy

This privacy policy applies to a personal data file consisting of subscription lists for the Digivision 2030 project newsletters. The privacy policy was drafted on 27 April 2022.

### 1. Name of register

Personal register of the Digivision 2030 project newsletters

### 2. Controllers

The Digivision 2030 project parties together (Finnish higher education institutions).

### 3. Contact point

Commissioned by Finnish higher education institutions, CSC – IT Center for Science Ltd. ("CSC"), Digivision 2030 project office digivisio @ csc.fi.

### 4. Purpose for maintaining the register and legal basis for processing personal data:

In the Digivision 2030 project, Finnish institutions of higher education work together to build a sustainable ecosystem for skills and knowledge in which we all can learn and gain skills and knowledge more easily and more flexibly in a changing world. Information on the progress of the project will be disseminated, for example, through newsletters, which can be subscribed to on the digivisio2030.fi website.

Digivision is committed to complying with the requirements of data protection legislation in the processing of personal data. The purpose of personal data processing is to provide information on the progress of the project and to develop and analyze communications. The processing of personal data in the personal register of Digivision's public website is based on the consent of the data subject.

Subscribing to the newsletter is possible on the digivisio2030.fi website and, in connection with the subscription, the person is asked for their consent to process their personal data.

## 5. Data content of the register:

The following data is stored in the personal register of Digivision newsletters with the consent of the person:

- First and last name of the person
- The email address of the person
- Organisation represented by the person (not mandatory)

## 6. Personal data sources:

We receive information from:

- the data subjects themselves

We are only allowed to collect and update personal data from public sources for the purposes described in this privacy statement.

## 7. Information systems used in the processing of personal data

Information in the personal register of Digivision newsletters is processed in CSC's Postiviidakko newsletter service.

## 8. Regular disclosure of **data and transfer of data outside the EU or EEA**

Data is not regularly disclosed to other parties.

Data can also be transferred by the controller outside the EU or EEA. Data will not be transferred to the United States without the explicit consent of the data subjects.

## 10. Retention period of personal data:

The duration of the Digivision 2030 project is ten years (2020–2030). The personal data register of the Digivision 2030 project newsletters and the data contained therein are stored in the register for the duration of the project, after which the data will be deleted.

The following regulations have been taken into account in determining the retention period:

[EU General Data Protection Regulation \(“GDPR”, 2016/679\)](#)

[Data Protection Act \(1050/2018\)](#)
